es, I admit, I'm a real slut! I couldn't stick to lone man. I'm just too into getting my pussy stuffed by different dicks. I like big ones, little ones, black ones, white ones.

So what happened? Why did I get married last year to this guy called Rich?

He doesn't have any option but to take my shit. He gets off on seeing me fucked by random strangers and loves to be dominated. Now that's a

relationship I can stay in! Also it means I can do whatever I want with no fear of an angry husband. That's a reliefl

The other night I met a guy called Max and invited him back to mine.

Rich was already home and looked well pleased

when I walked through the door with this stranger.

I took them both upstairs and chained Rich to the bed. Then I got down on my knees and closed my mouth around Max's huge cock.

Max enjoyed my sucking for a few minutes, then pushed me to the ground and thrust

his hard cock up into my wet cunt. I gasped as

he drove into me and soon started to cum all over his balls.

He kept pumping me as ! came, then pulled out and shoved it in my mouth.

"Swallow it," he said, then squirted warm cum all down my throat.

I drank as he came and when he was done, he left.

Rich loved watching me getting fucked and came all over my hand when I wanked him off.

Now we're looking for more guys to join our sexy fun.

y wife Helen had been fantasising about having sex with two blokes, getting really turned on by the porn we like to watch.

Well, when she said this l got a real hard-on, and I suggested my mate, Gary.

He's a real ladykiller, but he can be discreet if you ask him to be, and from his reputation I knew he was no stranger to threesomes. I also knew he thought Helen was pretty fit - hardly surprising, as she's a slender, big-boobed brunette.

He came round the very

next week, and we wasted no time getting down to business.

Helen was naked and wanking in the bedroom when he arrived, and the two of us headed straight up, already stripping off.

Gary clambered over the bed and kissed Helen full on the lips, reaching down to frig her clit as he did so. It was the first time I'd ever seen her with another bloke,

and I was as stiff as a post immediately.

Gary pulled back and, at Helen's bidding, slipped his cock into her mouth.

HELEN.

spat on her arsehole and eased the lubed-up finger inside her. She went wild when I did this, clenching her arse muscles against my fingers and frantically sucking Gary's cock.

Gary looked down to where I was. "Move over, mate, I think she's ready for a dicking," he said, and he pulled out and, after slapping his cock against her clit a couple of times, slipped inside her with one fluid

Gary said it was time to swap again, and I slipped my cock out of Helen's mouth and moved down to her pussy. She kept frigging her clit, and she seemed to be in a trance, her eyes staring into the distance as she moaned with ecstasy.

Gary didn't stick his cock into Helen's throat straight away. First, he got her to lick the thick juices off his shaft and balls, telling her what a dirty slut she was. I got down to business straight away, slipping inside her and relishing the sensation as her juices flooded around my cock and started to seep out of her well fucked pussy.

It wasn't long before both Gary and I were close to coming. Helen took over here, slipping off the bed and kneeling on the floor, getting the pair of us to wank off over her face. We came pretty much simultaneously, plastering her face with man fat, which she then scooped up on her fingers and licked

We were all knackered, but when Gary left, Helen and I had a slow, sexy fuck, during which I told her what a filthy slut she was. I was a little surprised that she hadn't let us fuck her up the arse, as she usually likes a bit of anal, but she said that she had to save something for another day. Fingers crossed! Jake, Swindon.

I RELISHED THE **DELICIOUS SENSATION AS HER JUICES FLOODED ROUND MY COCK**

I shoved my face into her already sopping twat and started to lap away like a man possessed.

Helen was already moaning loudly, grinding her snatch into my face. I looked up to see her acting like a complete slut, her arms wrapped around Gary's arse as she seemed to be trying to swallow his cock whole.

I reached up with my middle finger and, after smearing it with her juices, motion. Helen groaned with lust, moaning, "Oh fuck," before I filled her mouth with my own cock. I was lying next to her head, pushing my cock in and out of her mouth as she bucked on Gary's cock. It was an amazing sight.

Gary had a broad grin on his face as he thrust into her, and Helen was shoving the fingers of one hand into my mouth, frigging her clit with

and able For those of us too young to remember being hit, slapped or even clipped round the ear at school, there's still something strangely erotic about seeing the perverted pedagogue Charlie Z wielding her cane with sexual poise and power (vol 35 no 1). No wonder they call it la

If all our sexual fantasises were based around formative childhood experiences, I'd be into freezing showers, black plimsolls and board rubbers getting chucked at my head!

Lotts going on What a way to start the New Year! Lottie is amazing (vol 35 no 1)! Is it the great figure? The bewilderingly good boobs? I think it's the dyed red hair that does it for me. I've always fancied that look since Eternal Sunshine of the Spotless Mind! Carl, Wimbledon.

She came out of the blue, like a 'National Tottery' win. She's 21, from Kidderminster, and has massive 36DD boobs. Follow her on

If the pics weren't good enough of Tracy (vol 35 no 1), the story of her one-night stand with her husband's mate got me so randy I gave myself arm ache! I fancy a mate's wife and I was imagining what might be if she was as horny as Tracy! She's more likely to give me a cup of tea than a knee trembler! Eddie, Essex.

All about the **Irace**

Under that mild tea-making exterior there may lurk a right dirty cow. I should know! Two sugars was it?

a guy called Kevin, asking for a "liberated, adventurous girl" to help out with a business venture. I guessed rightly that it was something involving sex.

Kevin was doing some technical course, including film work, and had decided he was going to shoot some porn to sell and split any profits. I reckoned maybe he was a bit too cocky for his own good - in the arrogant sense! we got some dosh out of it, then brilliant.

He pulled out and creamed on my cheeks while I frigged my clit

honest! He'd roped in another mate to film it, and set up loads of borrowed equipment from the uni. I insisted on getting a DVD of all the film shot, and I soon realised how seriously horny I looked when I was on the job. I'd overacted a bit at first, but once I got into it naturally, I just looked like I was a bloody good shag!

Kevin was good too. He was a nicelooking bloke with a decent-sized

cock on him, and he seemed to have a permanent hard-on. He wasn't quite at the stage where he could cum on cue, but in one scene, where it took a bit longer than he expected, he just hammered into me fast until he shot his load.

It all tooked pretty raw and dirty. I still had my knickers on – he'd just pulled them sideways – and now he had me on all fours, one hand hanging onto the back of them as he slammed his prick in and out of my hole, his crotch and stomach

slapping really hard up against my arse cheeks. He sort of forgot himself – I got a couple of spunk-jets up me before he pulled out and creamed on my cheeks. His mate just made the most of it once he'd pulled out, focusing on the cum oozing out of my pussy as Kevin frigged my swollen clit.

The good news was he sold the film pretty easily, and they liked it and asked if we had any more. Kevin decided we should go out to the countryside for couple of days, just me and him, and

we'd shoot more footage. It didn't feel like work, just a dirty weekend.

He borrowed this cottage from a mate's parents – I reckon they couldn't have known what for! Then we just went a bit mad, filming ourselves shagging away in every room. I've always found that "Gonzo" handheld-camera style of porn a lot more sexy than the set-up stuff anyway.

and I started to get the feeling she fancied me

Never having been with another woman I wasn't really sure how I felt about this, but a bit of Dutch courage meant I just went with the flow. I said I'd share a cab and wasn't surprised that she made a move on me when we pulled up outside her place.

She had the most gorgeous mouth, and as she touched her lips to mine I felt a tingle go through me. I licked my lips, tasting her vanilla lip gloss, and got another taste seconds before she gave me a proper snog, sliding her tongue into my mouth

I was shaking, fumbling for my keys as she paid the body, and pulled up her tight vest-top and took hold of my hands, placing them on her

They were smaller than mine but well firm, and her nipples were so stiff they dug into my palms.

She leant forward so I could give her a sucking, then we stripped each other naked. Her pussy was shaven, but she said she loved my full bush - and how it held the

pussy then slid it along her crack, tickling around her arsehole. She squirmed her burn in pleasure, so I slipped it slowly inside her. As I wriggled it about, her pussy tightened around my tongue, and she came all over my face.

For a while she couldn't move – she just lay with her mouth against my slit, her short hair tickling my inner thighs. Then she started licking me again, digging her tongue inside me down to the root.

That got me to the brink but not quite all the way, so she switched to using her fingers, slipping three inside me. I was so wet, so turned-on, they just slid in right down to the knuckle in one.

Meanwhile her mouth was clamped over my clit, sucking as those lush lips of hers pressed tight around it.

Seconds before I came

I felt my hole clamp tight around her fingers, then every muscle in my crotch rippled. I buried my face in between her cheeks, muffling my moans as my orgasm ripped through me.

We staggered up to my bedroom, and as we lay there fingering each other's cumswollen pussies, Naomi told me I was only the third woman she'd ever slept with – and she got a real thrill when I said she was my first.

I've got a boyfriend now but it doesn't mean I've stopped thinking about her – I fantasise about a threesome with the pair of them all the time!

Ex appeal

didn't realise I fancied other women until I started reading girlie mags in bed with my boyfriend, Luke, and watching porn videos.

Soon I wanted to experiment with this side of myself and as I wanted my bloke involved in any scenes, I let him contact Katy, a girl he'd dated who was bisexual

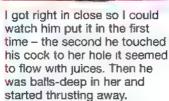

She was small and gorgeous, with long black hair and big green eyes. We were both a bit on edge at first, but a couple of drinks soon sorted that out. Luke poured us one more refill and suggested we should take them up to the bedroom.

At first we just lay side by side then, as I turned to put my glass on the bedside table, I felt Katy rake her long nails gently down my spine. I rolled over and we prapped ourselves around

I liked through instinct. I was squirming, humping hard against her hand as she got three fingers up my twat, and hardly noticing when Luke came in a few minutes later.

He'd already stripped off and he stood over us.

MAISIE, WORCS

As his prick pounded her twat, mine was aching like I was getting fucked too. I got going with my vibrator, switching it on and grinding it hard against my clit as well as pumping it in and out of my hole.

I was the first to cum – when I've done it once I orgasm even easier the next time. Luke was next and Katy hooked her legs behind his back so he'd lose his load inside her cunt.

She hadn't cum yet, so I took over as Luke knelt up,

each other, kissing deeply.
Katy seemed to just slip into
it, sucking on my tits and
sliding a hand between my
thighs to feel up my twat.
Katy seemed to know what

wanking as his gorgeous ex frigged me.

Katy was sucking hard on my tits now – guaranteed to send me off into space – and I kept thinking about them

HE STOOD OVER US WANKING AS HIS GORGEOUS EX FRIGGED MY PUSSY

fucking, how she seemed the sort of girl who wouldn't leave his cock alone until she'd cum again and again.

He was still gagging to fuck her – that was obvious so I told them to go for it, and got my vibrator out of a bedside drawer so I could frig myself as I watched them.

Katy lay back and spread her legs – her twat was a much deeper pink than the rest of her pale skin and framed by her trimmed black pubes.

Luke started rubbing her with the pads of two fingers – just the way I like it myself.

sweating, his cock still hard and coated with her juices. I was dying to suck it but he was still too sensitive, so I played with Katy instead.

I touched the tip of my vibro to her clit and clamped my mouth over her hole, jabbing my tongue inside her as a mix of her juices and my boyfriend's creamy spunk trickled down my throat.

Most women probably couldn't cope with watching their bloke shag his gorgeous ex – but as I fancy the arse off Katy how I can I be pissed off with Luke for feeling the same way?

I couldn't keep my fingers out of my snatch as I watched it. I could hardly believe I was doing those things!

What Kevin didn't know till afterwards was that was the first time I'd ever taken a cock up my arse. He said that was brilliant – we could use it to sell the film, if the buyer believed us. I'd taken it so easy, he wasn't sure they would

Kevin graduated at the end of that year and we didn't stay in touch. I think he reckoned he was out of my league in the "real world", that he was fucking me for business not pleasure, but I'd be surprised if he didn't secretly want more. Kev, if you're reading this, I'm up for it, whether it's for fun or filming. Whatever, I still watch my first-time anal DVD at least once a week!

UP on the roofer very large bulge

hristmas was coming so I decided to do a bit of re-decorating. I was dressed in a skimpy pair of shorts and a vest top as I get quite hot when I do this.

I had been at it for about half an hour when the door-bell rang. I answered it to a lad of about 25 who said he was in the area doing repair works to roofs and gutters and asked if I was interested.

I said I was and invited him in. I told him to take a seat while I tidied up a bit and made him a cup of tea.

All the time I was tidying I made sure I was bent over a lot so that my shorts went tightly up my cunt and my boobs spilled out.

I could see this was having some effect on him from the very large bulge in the front of his jeans.

I started to make filthy comments like: "My shorts are so tight, would you like to feel my cunt?" and "I love to have my boobs squeezed" making it clear how horny I was feeling. He finished his cup of tea and as he handed the mug back, I took his hand and placed it down my top.

I asked if he liked what he could feel and then moved in to kiss him.
As he kissed me back I reached down and unzipped his

I began to squeeze his
large heavy balls.
I then knelt down and

I then knelt down and, taking his cock in my mouth, deep-throated him. He groaned that he was about to cum and then he shot his load straight down my throat.

I told him I needed his big cock inside me so we went upstairs ripping the rest of our clothes of as we went.

I opened the bedside drawer and pulled out a big dildo and told him to use it on me. As he pumped me with it, my juices started flowing and squirted

Pool Party

ne rainy evening on holiday Louise and I were in a pub playing pool, when a couple of blokes came up and offered us a game of doubles.

Our forfeit for losing was having to snog each other - and Louise made sure we did it properly. We stayed there

right

until

up

closing time, and found out why they were so good. Nick's uncle ran the place and they'd been playing since they were kids. It also meant

to take a shot.

Then his crotch brushed up against my hip and I could feel he was hard.

That's when I decided

I'd had enough of pool. I used my hands to pocket shoulders, so he could fuck me even deeper, and with the rest of the bar pitch dark, aside from the pool table lights, I felt like I was part of a live on stage sex show!

I started fantasising that we had an audience, that Nick was

we had our own private lock-in that night.

I knew Louise had her eye on one of them. They went up to his room, leaving Nick and me alone in the bar, which suited me fine. He poured me another drink, then set up the pool table, telling me he was going to show me how to play.

Actually, it was halfway to foreplay – he was literally bending me over the table and touching me all over, supposedly to get me in the perfect position

the balls, then hopped up on the table and lay back.

His tongue slid into my mouth as we scrabbled at our clothing. He knelt in between my thighs, dipping his helmet in my welling juices, then pushing in with a smooth, slow stroke.

He had my legs right up against his

time and the feeling of his hot spunk hitting me hard and deep had never felt better.

We lay on the bed a short while then I took his cock in my mouth again until he was hard and wanked him until he shot his load all over my face.

We cleaned ourselves up and arrangements where made for him and his mate

out as I came hard.

My cunt was now wet and I was eager to feel his cockdeep inside it,

He took me from behind up against the wall, on the floor, everywhere he could and soon had me cumming again. We both came at the same to come back the following week and start work on my roof.

I can't wait because Rob told me his mate has a massive cock and loves it when women soak his cock. But that will be another story. Dee, Lancs.

was done, and I started to whimper with pleasure, like I wanted them to hear how much I was loving his cock.

He started to fuck me faster, our clothes rustling against the baize, and the wet, slurping sound of his prick pumping inside my pussy adding to the turn-on.

We didn't care who walked in on us by now!

Suddenly I felt myself start to cum.

Nick pulled out, using his fingers to squeeze and stroke every last pulse out of my orgasm. Then he asked whether I would I finish him off with my mouth.

With my head hanging back over the edge I could take him deep-throat, sucking every drop of my julces from his shaft. But what finally got him cumming was me sucking on his helmet, swirling

my tongue all around it. I tasted the first salty drops, then swallowed as he shot the rest of his load down my throat.

Louise didn't emerge till lunchtime. We were all too tired for a rematch!

to their room. We invited him back to our room for a

nightcap where I asked him if he'd like to fuck Emma.

"Love to, mate," he said.

Emma and Dave where a bit shy at first but with a little encouragement from me he soon got sucked

HE SUCKED AND LICKED MY WIFE'S HUGE TITS

e've just got back from a holiday in Italy where my wife Emma got all the men's attention round the pool with her magnificent melons.

One night at the pool bar we got pally with a guy called Dave who'd had a row with his wife who'd gone back tongued his helmet whilst wanking his shaft. It really turned me on watching her play with another man's cock.

Dave began to fuck her and when he flooded her with spunk she cried out and came, wrapping her legs around him. So sexy!
